## PRE-REQUISITES

Richmond Continuing Education has established minimum prerequisite marks and courses. Some students may be required to complete an English Assessment in order to be placed in courses within the Adult Secondary Program.

## WAITLISTS

If a course is full, please add your name to the Waitlist. Using our online registration system, click on the name of the course you wish to be waitlisted for - select "Add to Waitlist". More classes may be opened if there is sufficient interest and if classroom space is available. You will be contacted only if a space becomes available.

## ATTENDANCE

Regular attendance is expected to ensure academic success. As our school terms are short (only 32 sessions long), we strongly advise students not to miss more than five (5) sessions. Extended absences have a negative impact on learning and may result in removal from a course.

Due to limited number of spaces in a course, please register only if you can commit to attending for the entire duration of the course.

## WITHDRAWALS & REFUNDS

To withdraw from our courses, please complete a Course Withdrawal Form available from the school office or email [rce@sd38.bc.ca](mailto:rce@sd38.bc.ca)

Withdrawal from our blended, online courses may result in a student not being able to register for the same course for one year.

Where tuition fees apply, refunds of said fees (less 15% transaction fee) are issued only for courses cancelled by Richmond Continuing Education. There are no tuition refunds for student withdrawals.

## REPORT CARDS, TRANSCRIPTS & GRADUATION DIPLOMA

Report cards are issued to adult secondary students at mid-term and at the end of each term/semester.

At the end of each term/semester, final course marks are submitted to the BC Ministry of Education. Students who successfully complete a Grade 11 or Grade 12 course will see their final mark reflected on their official transcript.

Transcripts may be used to apply for admission to colleges or universities or for job search purposes.

Students may view their transcripts through the BC Ministry of Education's online Student Transcripts Service (STS). This service allows students to order official transcripts or graduation diplomas from BC or Yukon secondary schools.

Students who meet graduation requirements will receive a graduation diploma from the Ministry of Education.

For more information, visit: [www.StudentTranscripts.gov.bc.ca](http://www.StudentTranscripts.gov.bc.ca)
